

AMERICAN
KENNEL CLUB®

The American Kennel Club Purebred Alternative Listing (PAL) is an opportunity for all purebred dogs of registrable breeds and their owners to participate in many of AKC's most popular events. A PAL is not the equivalent of AKC registration, but makes it possible for eligible breeds to compete in:

- Obedience Trials
- Rally
- Tracking Tests
- Agility Trials
- Junior Showmanship
- Lure Coursing
- Herding Tests and Trials
- Hunt Tests
- Earthdog
- Coursing Ability Test

Please read the following information and instructions prior to completing the PAL application. Incorrectly or incomplete applications will result in processing delays. **All requested information must be completed.** Dog eligibility is contingent on the following:

- Dogs must be 6 months of age or older.
- Dogs must be spayed or neutered.
- Neither this dog nor its parents are registered or identified anywhere as a breed other than that stated on this application.

Enrollment in the Purebred Alternative Listing is not to be construed as an alternative form of registration but rather, as a listing so that dogs who are ineligible for AKC registration may participate in AKC events. The issuance of PAL for an unregistrable dog is strictly a discretionary accommodation. A PAL may be cancelled for cause.

PAL Application Photo

AMERICAN
KENNEL CLUB

For best results have someone position the dog while the photo is being taken.

Do This

Not This

PAL/ILP Application must be submitted with two photos. One photo should be from the front with the dog in a standing position, the other from the side in a standing position.

Photos should be close up.

Stand dog on a flat surface, do not pick it up.

With contrasting backgrounds.

Clear photos, taken close to the dog, against a solid, contrasting background, allow the committee to fairly evaluate the dog.

No costumes, please!
